Welcome to the first Outsourcing bulletin from A²+B LLP. At certain times of the year resources within Accounting and Finance teams can become stretched due to year end commitments, budgetary and forecasting processes, holidays, sickness and general workload increases.

We are here to help and can relieve some of the pressure by deploying suitably experienced, qualified staff, quickly, to meet your needs. Please read below for more information regarding the support we can provide.

If this is an area of interest to your company or if you would like to learn more about our services please do not hesitate to contact us for a no obligation discussion on how our business can help yours.

Thanks
